**Note: Table is in House Committee Report 107-103, p. 33 and in Senate Committee Report 107-36, pps. 22-23.**

a/ Funded in separate FWS accounts. House Committee Report, p.5 and Senate Committee Report, pps. 22-23.

b/ FWS prohibited from deducting overhead, planning, or other expenses from specific land acquisition project money. Project specific funds are to be used exclusively for land purchases. Six million dollars is included for planning. House Committee Report, p. 33. House Bill 2217 language p. 15, line 13 specifies the same prohibition of use of line-item project funds for administrative overhead, planning or other management costs.

c/ Committee urges additional staff to be provided to process and reduce any backlog of pending requests from land owners. Senate Committee Report, p. 23.

d/ Within amount, \$500,000 is provided for conservation easements in the Stewartson/Colebrook NH area. Senate Committee Report, p. 23.

e/ Funds for conservation easements. Senate Committee Report 107-36, p. 22.

f/ Funds may not be used to purchase land with existing structures. House Committee Report, p. 34.

**Note:** Table is in House Committee Report 107-103, pps. 58-59 and Senate Committee Report 107-36, p. 34-35.

- a/ An additional \$150.0 million for Stateside grants and \$4.0 million for Stateside Administration is provided. House Committee Report, p. 58. Funds to be distributed by same formula as in the past. House Report p.5.
- b/ An additional \$160.0 million for Stateside grants and \$4.0 million for Stateside Administration is provided. The current allocation formula is retained. Senate Committee Report, p. 35. Senate Bill 2217 Language, p. 157, line 13 specifies that none of the funds may be used to establish a contingency fund.
- c/ See add-on at same park. Senate Committee Report, p. 34.
- d/ Because of the large unobligated balance, DOI encouraged to expeditiously spend previously appropriated funds. House Committee Report, p. 59.
- e/ No funds provided because of \$6.0 million carryover. House Committee Report, p. 59.
- f/ Because of the large unobligated balance, DOI encouraged to expeditiously spend previously to purchase. If final deal is not forthcoming, Committee will consider reprogramming funds. House Committee Report, p. 59.
- g/ Funds provided contingent upon funding match by City of Jacksonville. Senate Committee Report, p. 34.
- h/ Committee expects at least a 1:1 cost share with funds available over the next 3 years. Senate Committee Report, p. 35. Senate Bill 2217 language, p. 156, line 8, requires the 50% match for grants and specifies funds may be used for only those battlefield sites listed in the July 1993 Report of the Civil War Sites Advisory Commission. Senate Bill language, p. 156, line 15, makes acquisitions subject to paragraph 6(f)(3) of the LWCF Act of 1965 [the perpetuity clause].
- i/ Bill language in Administrative provisions permit the conveyance of a leasehold or freehold interest. House Committee Report, p. 60.
- j/ Funds subject to non-Federal match. House Committee Report, p. 59.
- k/ Funds subject to authorization. House Committee Report, p. 60.
- l/ Subject to authorization. Senate Committee Report, p. 35.
- m/ Funds may not be used to continue acquisition of the Back Bone Trail. The Upper Ramirez Canyon acquisition of approximately 255 acres requires match. Non-Federal matching monies required with NPS certification on the level of non-Federal money by June 30 each year. House Committee Report, p. 59.
